

# PREREQUISITE

## MIT App Inventor

Date	8 November 2022
Team ID	PNT2022TMID34110
Project	Smart Farmer-IoT Enabled Smart Farming Application

### Step 1:

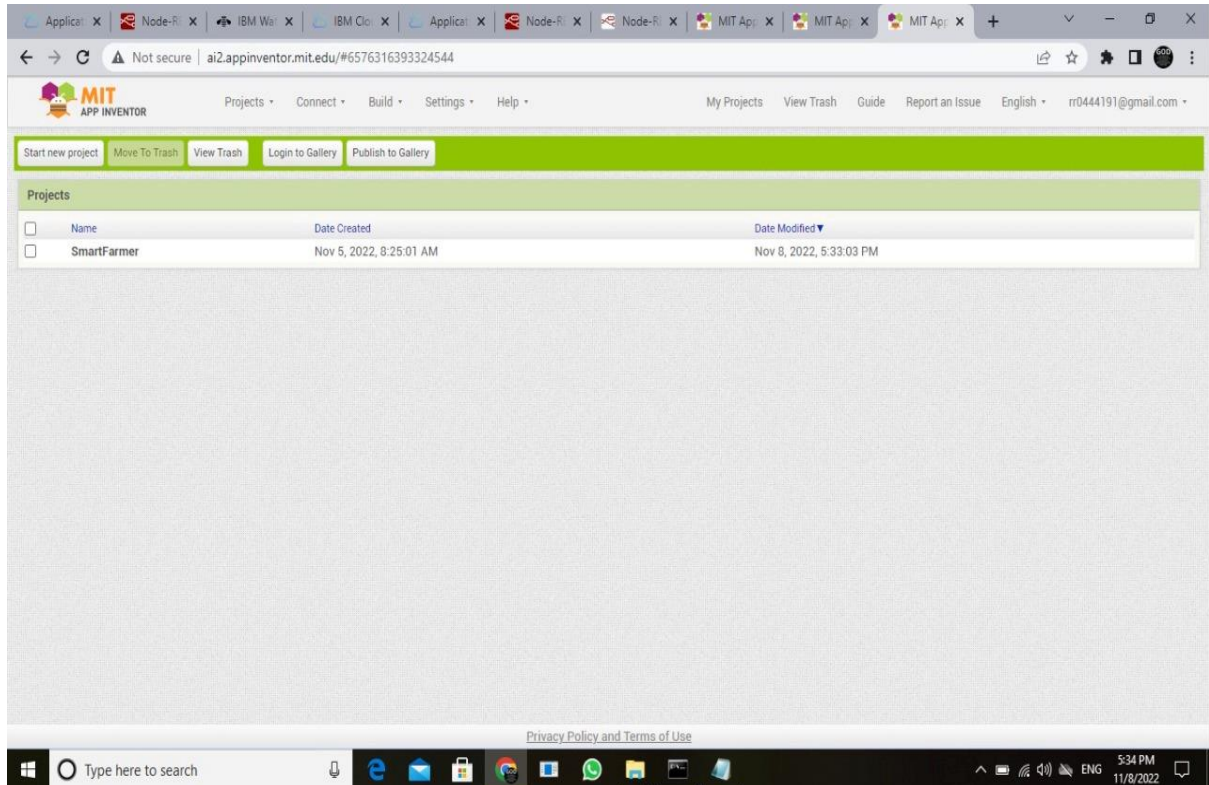

Create Apps in MIT App Inventor

The screenshot shows the MIT App Inventor website homepage in a web browser. The browser's address bar displays 'appinventor.mit.edu'. The website features a blue header with the MIT App Inventor logo, a 'Create Apps!' button, and navigation links for 'About', 'Educators', 'News', 'Resources', and 'Blogs'. A purple 'Give' button and a search bar are also present. The main banner has a blue background with white hexagonal patterns and a yellow circle. It contains the text 'Anyone Can Create iPhone and Android Apps with Global Impact' and a yellow 'Get Started' button. To the right of the text is a photo of two young women looking at a laptop. Below the banner, there are four colored boxes showing statistics: 'USERS TODAY: 117.1K' (purple), 'USERS THIS MONTH: 1.2M' (teal), 'ALL-TIME USERS: 14.9M' (green), and 'APPS BUILT: 67.8M' (orange). The Windows taskbar at the bottom shows the search bar and several application icons, with the system clock indicating 5:32 PM on 11/8/2022.

USERS TODAY:	USERS THIS MONTH:	ALL-TIME USERS:	APPS BUILT:
117.1K	1.2M	14.9M	67.8M

## Step 2:

Start creating projects by clicking new projects

An account was created in MIT App inventor and features were overviewed.
